Dear Ms. Hoy,
I want to thank you and everyone at Southeast Corrections for the wonderful Christmas you made possible for SAFE Shelter families!

I applaud you and Judge Williams for this unique way of providing for those who are less fortunate. Thanks to the donations provided through this program, at least a dozen of our families had the best Christmas of their life!

On behalf of myself, staff, residents and Board of Directors, thank all of you for your generous spirit and hard work!

All my best,

Cheryl H. Branch, Executive Director
